

**Ends Policies**

Students will exercise self-discipline and focus on achieving individually established dreams and goals.

Students will have the self-esteem to live with dignity and be proud of their accomplishments.

Students will learn they are socially responsible community members and leaders who will use their core values and individual talents to inspire others throughout their lives.

They will know that knowledge is a powerful and essential tool to succeed in any aspiration.

Mission Statement

...”TO TEACH OUR CHILDREN TO SPREAD THEIR WINGS AND SOAR LIKE EAGLES”

North Routt is a place of learning inhabited by people who treasure our countryside and its historical significance, with a commitment to the children and the community (both local and global). In this special setting we see each individual achieving his/her highest potential in a positive, can-do, goal-oriented, nurturing and secure atmosphere.
